Issues

Challenges:

Our SEO case study highlights challenges including adapting to evolving algorithms, standing out in a competitive market, and maintaining consistent, high-quality content. Explore strategic approaches for overcoming these hurdles and thriving in the dynamic online landscape.

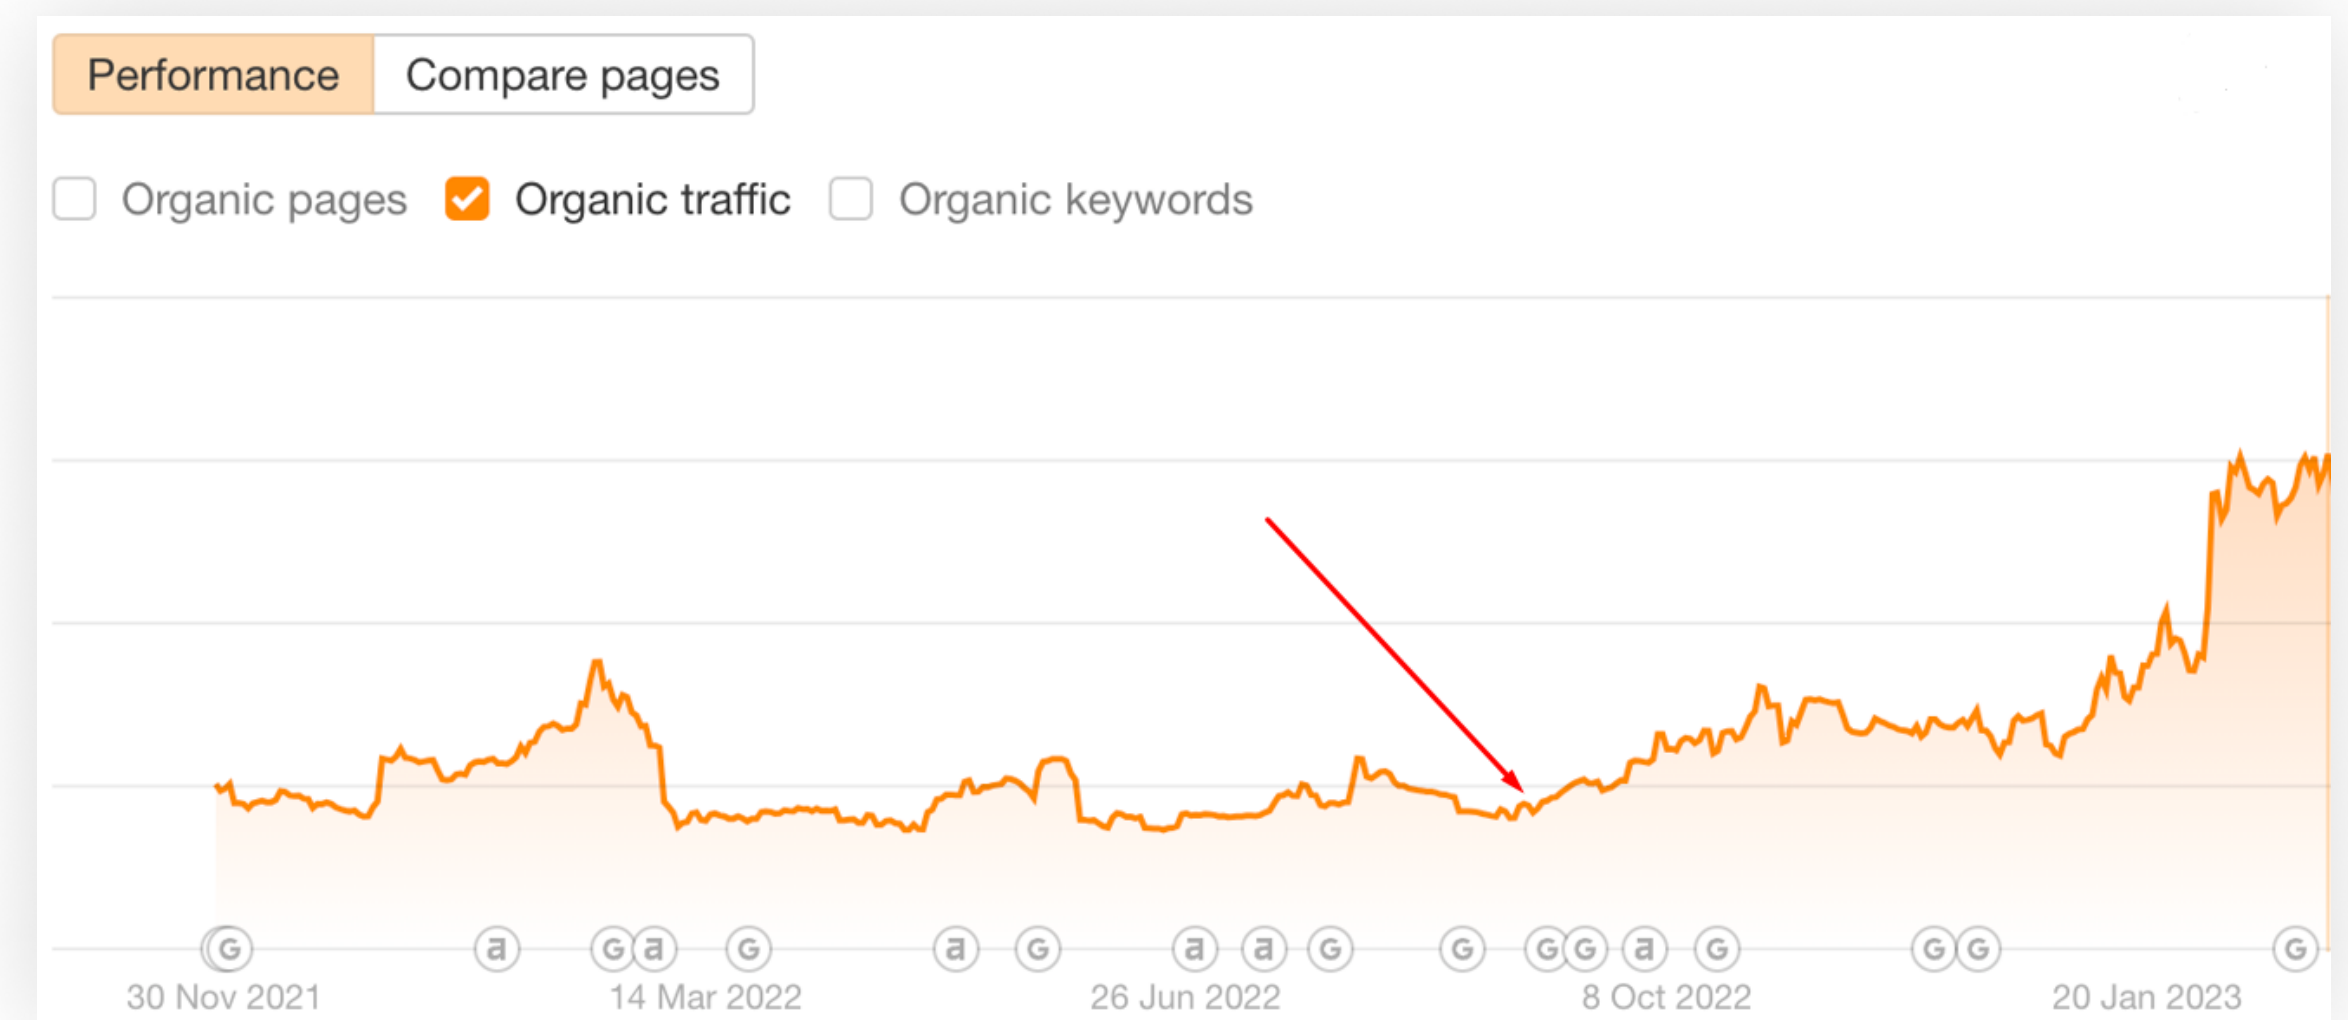

- » They had goals to build site authority, improve keyword ranking, and boost organic sessions.
- » The niche is highly competitive.
- » They didn't have a high budget and wanted to see results in the first few months of the campaign.

- » We started the campaign by performing comprehensive keyword research and targeting the keywords specific to their niche like-
 - Preserved roses
 - Forever roses
 - Long-lasting roses
 - Roses that last forever
 - Roses that last a year and many more
- » Not only this, we continuously built high-quality contextual links and post them on websites that have high DR, DA, and Organic Traffic. Here are some of the samples-
